

Important Notice

Your Credit Union is not-for-profit, but as you know the Credit Union must charge fees to cover the cost of daily operations, computer processing, and expenses. Because of the rising cost of our expenses we are changing our fees.

What will change?

*Effective June 15, 2009 Texas Coastal Community FCU will change its fees for non-sufficient funds (NSF) activities. This includes all VISA Debit/ATM transactions, ACH (electronic transfers), and checking account transactions with non-sufficient funds. The fee for non-sufficient funds will increase from \$20.00 to \$25.00 and this fee will apply per transaction or item.

*Effective June 15, 2009 Texas Coastal Community FCU will change its fees for late payments of 10 days or more to all loans. The fee for late payment on loans will increase from \$15.00 to \$20.00 per month, per loan.

*Effective June 15, 2009 Texas Coastal Community FCU will change its fees for outgoing wires. The fee for outgoing wires will increase from \$10.00 to \$15.00 for each wire.
